To: charles.grant@cwgrant.ca, François Decarie &lt;frank.decarie@gmail.com&gt;

I have cleaned up the draft application and enclose a copy for your review. It is essentially the same as the previous version but I have added some clarification of the enrollment and training.

I have sent this to Anil for filing later today so if you have any comments please let me have them before mid afternoon.

Once filed we can arrange to get formalities and formal drawings sorted and then wait for publication and the search report.

Thanks for all the help on this.

Regards
